- 1- All lots will be sold to the high bidder at the next regular advance over the second high bid by the highest amount of either \$1 or 5%. We reserve the right to reject any or all bids.
- 2- No buy bids will be accepted.
- 3- All items offered are guaranteed genuine and to be as listed. Errors on the part of the cataloguer will be cheerfully corrected. Please bid carefully as we cannot be responsible for the errors of others. As in term #1, if you are the high bidder, you are the buyer.

New accounts requesting shipment to a P.O. Box or General Delivery must also furnish either their home or business address.
- 5- Payment is due immediately upon receipt of merchandise or upon receipt of invoice, unless other arrangements are made in advance.
- 6- Lots will be available for inspection, by appointment only, at our bank at any time prior to closing date.
- 7- 5% Sales Tax will be added to all Illinois orders. Dealers may deduct the tax provided they furnish a signed exemption certificate and Illinois registration number.
- 8- Bids are to be made, and invoices paid, only in U.S. funds. Foreign bidders should advise if special shipping instructions are necessary.
- 9- Postage and insurance will be added to all invoices. Unless otherwise indicated by the bidder on his bid sheet, we will use our discretion as to whether to ship by air or surface mail.
- 10- Title to all coins remains with the cataloguer until paid for in full.
- 11- In case of tie bids, the one received first will be the winner.
- 12- Please bear in mind that this is not an approval sale, and returns are not permitted, errors in cataloguing excepted.
- 13- Minors are expressly forbidden to participate in this sale.

We can now furnish photos of nearly all lots, upon request, at a charge of \$1 per coin, and can give same day air service.

Prices realized list may be purchased at 50¢ per sale, (stamps OK), or at \$3 per year, for U.S.A., Mexico, and Canada. Rates to other countries vary.

THANK YOU

IMPORTANT NOTICE

To all of our valued friends and customers, and we sincerely trust that all who receive this catalog may be considered as such, we send our deepest thanks for your past patronage; our pledge that we will continue to give our best to you in service; and our earnest request that you will let us know whenever we might be of help to you.

During the past months we have received several standard form notices from firms, both large and small, that provide services for us, that effective immediately they will be adding a 1% per month late charge to all invoices over 30 days old. Evidently they, like ourselves, have been experiencing difficulty in keeping their "Accounts Receivable" within the range of good sound business practices and are using this tactic to encourage their clients to be more prompt in paying.

We too have been tempted to put such a plan into practice, but after due reflection feel that we have a better idea, which we pass on to you at this time.

Commencing with this sale, and then depending on the success of the plan, with future sales as well, we intend to carefully check the highest bid on each lot. Should we find that the high bidder is perpetually slow in remitting to us, or requires frequent reminders as to the status of his account, and should we find that the second high bidder is one of our more prompt payers, we will award the lot to the second high bidder.

EXAMPLE: A lot from our October sale was sent to a customer of long standing at \$32.00, and it is still unpaid for. This particular customer has been late quite often in the past, and while we are not at all worried about eventually receiving the payment, we have been denied the use of the money for what we feel is an unreasonable length of time. On checking we find that we could have sent this particular lot to the second high bidder at \$31.75, and to a person, who, like the greatest majority of our customers, pays by return mail. We feel the sensible thing to have done would have been to reject the high bidder and award the lot to a more deserving client.

We have no quarrel with the prompt payer who might find himself momentarily short of funds, or on vacation, or in a similar situation that might cause him to be a few days late. Nor will we ever reject any bid from a client like this. However patterns are set by averages, and I am sure that in the future a small minority of our clientele will be wondering why they did not receive a particular lot when they were apparently the high bidder. If their paying average has been bad, then they will not need to make inquiry, as they will already know the why of it.

We will be more than happy to discuss this new policy with the utmost friendliness and with the utmost frankness with anyone who might so desire us to.

THANK YOU FOR LISTENING
